

TEXAS DEPARTMENT OF PUBLIC SAFETY'S SEX OFFENDER REGISTRY FOR ANGELINA COUNTY

The Texas Department of Public Safety's sex offender registry is free to access by anyone online. There, mugshots of those registered, their address, threat level and charges are among the information that can be gathered. Those outside of city limits have the nearest city included in their address.

Additionally, DPS has an interactive map that pinpoints approximately where those on the registry are located, according to the listed address.

The following list includes those who were on the registry as of Oct. 24, listed in alphabetical order by last name. Also included is each individual's age, location, charge and registration end date, if applicable.

Those who wish to view the registry or to search for nearby offenders may visit the **DPS Sex Offender Registry** website at <https://publicsite.dps.texas.gov/SexOffenderRegistry>.
